

Your host, Frank invites you to experience the luxury of holidaying in their spacious tropical retreat. Their custom built Bed and Breakfast has three beautifully appointed rooms with separate guest's entrance and parking. The rooms are detached from the main residence. Our guest's library contains fascinating books and DVDs about the multicultural, pearling, farming and religious history of Broome, which enhance the cultural experience of holidaying with us in Old Broome.

The accommodation at the Red Emperor Bed and Breakfast is modern, spacious and well ventilated. Three guests can comfortably be accommodated per room. Our three well equipped rooms each contain a queen and single bed, ensuite, bar fridge, DVD/TV, table and chairs, air conditioner and fan.

All rooms open onto our spacious tropical outdoor area with sparkling spa plunge pool and outdoor kitchen. Our well equipped kitchen with dishwasher gives our guest the option of staying in for dinner. At the Red Emperor Bed and Breakfast we pride ourselves on our hospitality, offering guests a leisurely existence with no time restraints. The keen fisherman can also cook his fresh catch. Our continental breakfast is provided for you to enjoy at your own leisure.

Wireless internet is available at a small cost. Free bike hire is available for your convenience. Cycling is on footpaths.
